

Bramble Bugs

CHILDMINDING SERVICE

"THE PACE OF THE DAY IS CALM,
WE ARE NOT IN A HURRY AND HAVE
PLENTY OF TIME TO EXPLORE AND
ABSORB THE WORLD AROUND US...
WE TAKE TIME TO ENJOY KNEADING
OUR DOUGH, BAKING OUR BREAD OR
WATERING OUR SEEDS AND WATCHING
THEM GROW!"

At Bramble Bugs we adopt a Steiner-influenced approach to childcare which focuses on nurturing children in a natural way. We aim to create a place where children have fun, feel loved and are given a secure base from which they can grow into happy, free-thinking individuals.

This is done by:

- focusing on the needs of the whole child – academic, physical, emotional & spiritual,
- developing a love of learning by engaging the imagination & promoting hands-on artistic activity,
- creating a beautiful, tranquil environment where the rhythm of the day promotes calm & children can become totally absorbed in their play,
- spending much of each day outdoors learning about the natural environment & it's changing seasons.

Bramble Bugs is based in Hereford. For more info or to arrange a visit please call Yuta on the number below.
